

Crisis Intervention Training (CIT) I for Corrections Officers

TRAINING GOALS AND IMPACT

Corrections-focused CIT training offers specific techniques to equip corrections officers interacting with persons in crisis.

IN THIS 16 HOUR, 2 DAY TRAINING:

- Enhance de-escalation and tactical communication skills
- Identify how to work with individuals and family members experiencing mental health crises
- Assess for risk of suicide or harm
- Gain knowledge on mental health conditions and local mental health resources

16 Continuing Education Credits will be provided and have been approved by STC (Standards and Training for Corrections). This training can be found on the STC Catalog of Courses, Certification # 05531402

WHO IS THIS TRAINING FOR?

- Corrections Officers
- Jailers and Detention Officers
- Institutional Facility Staff
- Court Services Providers and Security
- Crisis Intervention Trained professionals looking to expand their knowledge surrounding mental health crises
